

Villa LMS

ACADEMIC YEAR 25/26

DESIGN PROTOTYPE · TUESDAY 19 MAY 2026

Learning Management System

A guided LMS for Villa College — built around supportive learning, role-specific workflows, auditability, and strong administrative control. Improves on a basic Moodle-style platform with module group chat, structured academic setup, and a guided learning dashboard.

Guided learning

Attention Items ranked by due, weight, and time-of-day.

Role workflows

Distinct surfaces for Student, Educator and Admin.

Auditability

Every sensitive change recorded with actor + reason.

Module group chat

Targeted notifications — educators get only @mentions.

Record integrity

Lock + correction window. Disabled, never deleted.

Honest feedback

Anonymous to educators; admin can unmask for safety.
